

# SEND Information Report St Budeaux Primary School

September 2024 – July 2025 (published Sept 2025)

## What we do at St Budeaux Primary School

### What kind of SEND do pupils at St Budeaux primary School have?

St Budeaux Primary School is a mainstream setting with 56 pupils from Nursery/Reception to Year 6. We provide the structure for a pupil-centred process that engages pupil, family, school and other professionals in planning for and implementing high quality, needs led provision that is consistent across the school. This is to ensure all of our pupils are able to access the same opportunities for learning and social development achieving maximum progress, fulfilling their potential and promoting their well-being.

The school provides support for pupils across the 4 areas of need as laid out in the SEND Code of Practice 2014:

- Cognition and learning.** This covers learning difficulties both moderate (MLD) and severe (SLD) where support is likely to be needed across all areas of the curriculum. It also covers difficulties which affect one or more specific aspects of learning (SpLD) This encompasses a range of conditions such as dyslexia, dyscalculia and dyspraxia.
- Communication and Interaction.** Children with Autistic Spectrum Disorder (ASD) including Asperger's and ADHD or speech difficulties.
- Social, emotional and mental health difficulties.** At times children may suffer from anxiety, overwhelming feelings of anger or fear which affect their ability to learn.
- Sensory and/or physical needs.** This covers Hearing Impairment (HI) Visual Impairment (VI) Multi- Sensory Impairment (MSI) and Physical difficulties (PD)

We currently have 6 pupils on the SEND register with the following types of needs:

33% of **Cognition and Learning**  
50% of **Communication and Interaction**  
17% of **Social, Emotional and Mental Health Difficulties**  
6% of **Sensory and/or Physical Needs.**

Last academic year (2024 – 2025) we had 18 pupils on the SEND register with the following types of needs:

50% of **Cognition and Learning**  
22% of **Communication and Interaction**  
22% of **Social, Emotional and Mental Health Difficulties**  
6% of **Sensory and/or Physical Needs.**

If you want to know more about SEND at St Budeaux Primary School Please contact the SENCo, Sarah Moger.

## How do we identify pupils with SEND?

Information about the First Federation Trust policies for identification and assessment of pupils with SEND can be found by clicking on the link below:

<https://www.firstfederation.org/send-and-equality/>

Pupils have special educational needs if they have a learning difficulty or disability which calls for special education provision to be made **which is additional to or different from** that normally available in a differentiated curriculum. We regard pupils as having a Special Educational Need if they:

- Have a significantly greater difficulty in learning than the majority of pupils of the same age, or;
- Have a disability which prevents or hinders him/her from making use of facilities of a kind generally provided for others of the same age in mainstream schools or mainstream post-16 institutions
- A child under compulsory age has special educational needs if they fall within the definition at (a) or (b) above or would do so if special educational provision was not made for them (Section 20 Children and Families Act 2014)

Children with SEN are identified by the following assessment routes all of which are part of the overall approach to monitoring progress of all pupils:

- Child performing below age related expected levels and performance thresholds – this could be in any of the core subjects, or in social emotional development.
- Assessments of children on entry to school e.g. Speech and Language assessments, Baseline assessments
- Ongoing tracking attainment of children through the year
- Internal assessments
- Concerns raised by parent
- Concerns raised by teacher
- Clear systems to raise concerns in place, involving consultation with parents.
- Consultations between class teachers and members of the leadership team where progress is discussed
- If children have English as an Additional Language (EAL) and there are SEND or progress concerns, the school will commission first language assessments to ensure an accurate assessment of need is made.
- Extensive Liaison with external agencies e.g. Educational Psychology, Communication and Interaction Team
- Health diagnosis through Paediatrician or advice from GP
- Liaison with previous school or setting, if applicable

**How does the school teach pupils with SEND?**

We believe that all teachers are leaders of SEND and every teacher is responsible for meeting the needs of pupils with SEND in their classroom.

Provision for SEND pupils includes:

- Access to Quality First Teaching (QFT)
- Access to high quality resources, opportunities and support through Ordinarily Available Provision (OAP)
- Reasonable adjustments made when required
- Adaptive teaching, resources and interventions to meet children's needs
- Extra adult support in classrooms where appropriate
- Inclusive approaches are used across the school to enable all children to reach their full potential
- The SENDCo and School Leaders make regular classroom visits to check pupils with SEND are making progress in their learning

At St Budeaux Primary School we have

- Language groups and speech programmes supported through the Speech & Language Team (SALT).
- Pre and Post teaching
- Precision teaching
- Handwriting groups
- Motor-skills united
- Read Write Inc
- Toe-by-toe
- Break and lunch time nurture groups
- Social and emotional support through ELSA trained staff
- Social skills groups
- Lego Therapy
- Colourful semantics
- Young Carers weekly club
- External input from the Plymouth Multi Agency Support Team (MAST). This includes learning mentors, drama therapy, art therapy and counselling.
- External input from the Mental Health Support Team (MHST)

**How do we evaluate the effectiveness of provision for pupils with SEND?**

- Teachers are continually monitoring the progress and outcomes for all in their class as part of their universal provision and will adapt provision as required.
- Progress of individual pupils with SEND and the impact of support given is completed at least termly through discussions with the pupil, parents and carers and adults working with the pupil.
- Impact of interventions and SEND provision is evaluated by teachers and school leaders at least termly and adapted as required.
- Progress of SEND is reported termly to the Board of Directors and our SEND information Report, posted on the Web site, is updated at least annually and when any significant changes are made to our provision.

**What arrangements are in place to assess and review pupils' progress towards outcomes, including opportunities available to work with parents and pupils as part of this assessment and review?**

These arrangements include:

- Graduated approach with cycles of **Assess Plan Do Review**
- Data tracking for pupil progress
- Personal Learning Plans (PLPs)
- Provision Mapping
- EHCP reviews
- Observations and follow up parent meetings
- Specialist support/assessments

**How is the curriculum and the learning environment adapted for pupils with SEND?**

At St Budeaux Primary School, we seek to make as many reasonable adaptations as we can to ensure that learning is maximised and needs are met. The curriculum/learning environment may be adapted by:

- Groupings that target specific levels of progress;
- Differentiated resources and teaching styles
- Appropriate choices of texts and topics to suit the learner
- Access arrangements for tests and or examinations
- Targeted use of additional adults as appropriate
- Sensory and movement breaks
- An extensive range of additional resources: including talking tins, spell checkers, weighted blankets, move and sit cushions, writing slopes, overlays, widget online visuals, pencil grips, ear defenders,

Our Accessibility Plan also provides further examples and can be found here:
